KENTUCKY HANDICAP OF 1921

Wonderful Array of Great Horses Named to Contest It.

All the Stars of Older Division as Well as Pick of Three-Year-Olds Among Its Entries.

Established in 1913, the Kentucky Handicap has grown in popular favor with each succeeding running and now stands supreme as the outstanding feature of Kentucky spring racing for horses of the older division. Never before in its brief history has there been such an array of high-class horses eligible to contest it as are named this year. All the acknowledged stars of the matured division of racers, as well as most of the foremost of the three-year-olds, are among the nominations. The great Exterminator, Sir Barton, Boniface, Billy Kelly, The Porter, Leochares, Paul Jones, Blazes, On Watch, Donnacona, Peace Pennant, Eternal, Cirrus, Mad Hatter, Upset, John P. Grier, Dr. Clark are names sufficient to suggest a battle of giants, without mentioning Tryster, Exodus, Leonardo II., Billy Barton, Pluribus, Star Voter, Bon Homme and other gems of the three-year-old division. Every indication points to a wonderful field and a great contest when the Kentucky Handicap is decided at Churchill Downs, the conditions and nominations for this fixture being as follows:

TIJUANA'S RACING IS GOOD

Contest Won by The Desert in Nature of Trial for $20,000 Coffroth Handicap.

SAN DIEGO, Cal., April 6.—Favored by light weight and a well-judged ride The Desert, racing in the colors of H. W. Barnes, the San Diego turfman, won the sixth race here yesterday, a handicap at a mile and fifty yards. The race was in the nature of a trial for the $20,000 Coffroth Handicap, which is to be run next Sunday, inasmuch as the majority of the starters in it are candidates for the above-named rich stake.

The Desert ran forwardly to the last turn, where jockey Majestic brought him up on the outside with a well timed rush, and, riding him vigorously, he wore Edwina down in the final strides to win by a short neck. The latter, after racing Wynnewood into defeat, drew out in the stretch as if a certain winner, but tired under the weight of 117 pounds and succumbed when victory was in sight. Wynnewood, the pacemaker, ran well, but tired in the final quarter and finished in third place.

Although Edwina finished second her race was a sparkling one, as she was giving weight to her older opponents. She has developed into a notorious sulker in the mornings and in a desperate effort to get her ready for her stake engagement on next Sunday she is being raced into condition.

The opening dash yesterday, a two-year-old race at a half mile, fell to Hal Wright, the lukewarm favorite, which decisively defeated Capt. Clover and Candorosa.

The gray mare Olive D. led a big band of sprinters home in the second race in easy fashion. Her advantage at the finish was three lengths, with Killarney Belle and Viva her closest competitors.

A change of owners worked wonders with Shenandoah in the third race, at a mile and fifty yards. Where the four-year-old gelding has been quitting in his previous races he came from a long way back to win in a rousing finish from Pink Tenny and Zetetic.

The erratic mare Fannie Nail was heavily supported to win the fourth race, at a mile and seventy yards, but third place was the best she could do. First money went to Helman, with Baby Faust in second place.

A close stretch turn, in which English Lady saved much ground, enabled her to take the lead in the fifth race midway in the stretch, but it took the hardest kind of a drive for her to retain her advantage, as Full Moon finished with a great rush and was rapidly overhauling her at the finish. However, jockey McCullough, astride of the winner, managed to keep her in the lead and won by a neck, with Full Moon and George James finishing in the order named.

Stanley H., piloted by the midget jockey Pribble, scored in the seventh race by a half length from Our Leader and Smiling Maggie.

The speedy filly Lonely continued in winning form when she cantered home in the last race an easy winner from Miss Manage and Ike Mills.

Jockey Powell was badly shaken up when his mount, Ben Levy, in the fourth race, stumbled and fell while pulling up. The lad was rendered unconscious, but quickly recovered, although he was forced to cancel his engagements for the remainder of the day.

Trainer J. Hill was fined $25 for carelessness after the saddle had slipped on Red William in the third race.

Two carloads of horses got under way for Lexington, Ky., last evening. The horses shipped were the property of W. F. Polson, embracing Peace Pennant, Vulcanite, Eddie Tranter and others. Owner C. Worthington also bid Tijuana farewell, taking the crack filly Pepper Tea, Lillian Loraine and They Shall Not Pass.

The Desert, in winning the sixth race, established a new record for the distance, but that was a foregone conclusion, as the old mark was held by Vesta, which, back in 1917, ran the distance in 1:52⅖ over a track deep in mud. Over the fast track which prevailed yesterday the official time for the race won by The Desert was 1:43.

READY FOR CHAGRIN FALLS MEETING

CLEVELAND, O., April 6.—Horsemen contemplating racing at the coming spring meeting of the Chagrin Falls Jockey Club, April 30 to May 14, will find everything in perfect order on their arrival at the Falls track.

The turns have been elevated and the track proper widened and before many days will have elapsed the new chutes will be completed. New stable accommodations have been provided for.

The most recent arrivals were the stables of Cross and Haskins from Riverside, Cal. There were seven in this shipment, namely, Lean Reck, Vain Chic, Gomul, Onoto, Lady Eileen, Cuba and a filly by Marse Abe. Word from the coast is to the effect that at least ten stables, which raced at Tijuana during the winter, will be on their way just as soon as car accommodations can be had.

Several stables wintered at the Falls and their horses are now well advanced in their training.

The program book for the first six days is out and calls for seven races daily with six purses of $500 and one of $600 daily. Overnight handicaps will be run on special days with $600 or more added.

CANDIDATES AT HOT SPRINGS

Leonardo II., Bon Homme, Mulciber and Despair in an Advanced State of Training.

HOT SPRINGS, Ark., April 6.—To be formidably represented by three starters in the Kentucky Derby is the aim of James W. McClelland, trainer-manager of the extensive band of racers that will carry the silks of Xalapa Farm, owned by Edward W. Simms. To carry out his plans Leonardo II., Bon Homme, Mulciber and Despair, a quartet of worthy ones, are being given one of the most careful and thorough preparations. Whatever other trainers may be doing with their charges destined to start in the Kentucky Derby May 7 there is not the remotest chance of their being anywhere nearly as well fit up to the present as the Simms representatives. Leonardo II. is taking his training in particularly good style and, no matter how strenuous the task set for him, he works impressively and, what is more pleasing to his handlers, without evincing the slightest indication of the trouble that caused his retirement after the winning of the Hopeful Stakes. There are few acquainted with the fact that in that rich fixture, bringing to the post many of the crack two-year-olds of this country, Leonardo II. was nowhere near his best form. For a week previous to the race his training was practically suspended on account of lameness.

He was injured by a kick which had affected a small bone in his hind leg, and the injury necessitated constant tubbing of the leg in ice water to reduce inflammation. Leonardo II. has wintered wonderfully weil, as have the other seventy-three horses that were quartered at Oaklawn during the cold period. He has grown and filled out finely. James McClelland, commenting on this, said: "He is performing every task asked of him and, in my judgment, he will go far and fast any distance he is sent." Leonardo II. is regarded as the stable's mainstay for three-year-old honors, and he will be ridden by Schuttinger, who is galloping him in all his work.

Leonardo II. has already shown a convincing mile, far superior to any other Derby candidates, and traveled the Derby distance at a moderate pace.

Bon Homme's improvement during the winter has been particularly noticeable and shrewd horsemen, who have observed him closely, give him a good chance to carry off the Derby. An idea of how well advanced he is in his training is indicated by his mile and a quarter gallop this morning in 2:12, and that quite easily, too. Jockey Robinson will ride him in the Kentucky Derby.

Mulciber, which raced late in the fall and creditably, is like his stablemates, taking his Derby preparation in satisfactory style, and the fashion in which he goes about his work is giving his stable hopes that he will prove a formidable proposition for three-year-olds to tackle. Jockey Jarvis will have the mount on him in the Derby and is galloping him daily.

It is the present intention of James McClelland to ship the quartet of Derby eligibles to Lexington for the racing there and start them over the Kentucky Association course previous to sending them to the post in the Derby.

"Never had a band of horses winter so well in my entire turf connections," said Mr. McClelland. "We haven't had a sick or ailing horse in the stable since landing at Oaklawn. At no period of the winter have the horses been kept inactive through bad weather conditions. That includes the Derby eligibles."

Jockeys Schuttinger and Jarvis, who have assisted in the preparation of the horses, are in good form. Both riders have from eight to twelve mounts each morning.

Eternal is working fast, going sound as a dollar.

HORSES SOON TO LEAVE HOT SPRINGS

HOT SPRINGS, Ark., April 6.—The Oaklawn colony will be reduced this week when the horses of William Martin and Theodore Cook are transferred to Havre de Grace. Camoufleur wintered well and is in condition to go to the post right now. Martin's best money earner, Jack Stuart, had to be left in Maryland last fall and will rejoin the stable at Havre de Grace, having been started for that point this morning. Theodore Cook has been here for some time with Mr. Martin and is enthusiastic over the condition of the horses.

John Sanford, master of Hurricana Farm, has had the largest aggregation of horses to winter here. His string, comprising thirty-three head, have been in charge of Preston Burch and Holly Hughes. In the band are several French-bred colts, for which Mr. Sanford paid huge sums. The colts are all training well and have been schooled thoroughly at the barrier. There are fifteen older ones in the stable, some that raced successfully last year around New York tracks. The division, which will be in charge of Preston Burch, will leave for Havre de Grace about April 15, and the others that Holly Hughes will have in charge will go shortly thereafter to Jamaica for racing there.

SMALL CHANCE FOR ILLINOIS RACING

We always have advocated a law which would permit racing with some form of betting on Illinois tracks for a limited period each year. Such a bill is now before the legislature, but a person who is usually informed on Springfield matters tells us it has practically no chance of passage.

Our informant says there are two ways of securing a racing law. One is by the creation of an overwhelming public sentiment which the legislators dare not deny. This has not been done. The other method is not pleasant reading and we dismiss it.

We fear Chicago will go Derbyless until business men and lovers of horses join hands in a concerted movement to secure a kindly law.—Chicago Tribune.

CURRENT NOTES OF THE TURF

Trainer W. H. Karrick is slowly recuperating after his long illness.

The two-year-olds are busily at work from the barrier in the short chute at Gravesend.

That excellent French bred sire, Val d'Or, is still doing service in Argentina, though blind in both eyes.

Max Hirsch is making a jumper out of the fast but ill-tempered Germa and she is taking to her work kindly.

MAIN RACE TO SANDY BEAL

Easily Triumphs in Chief Offering at Prince George Park.

Columbine Is a Repeater, but Crumpsall Fails Dismally at Second Attempt.

BOWIE, Md., April 6.—For the fourth day's racing at Prince George Park the Prospect Purse, a dash of six and a half furlongs, was the chief offering, the other six races being under claiming conditions. Bright skies and warm weather contributed in bringing out a crowd of generous proportions and the public fared better than yesterday in the argument with the "iron men."

Sandy Beal was the choice in the main race and he made good in real race horse fashion. Corey held him under restraint until the far turn and, when called on, the son of Superman easily took command and won by a length. Mock Orange was second, tired out after his efforts in racing into defeat the outsider, Satana.

F. Coltiletti rode the winners of the first two races. In the opening dash he was astride General Agramonte and guided the Louis colt first past the judges, racing Celtic Lass, the pacemaker, into defeat in the last eighth and drawing away to score by three lengths. He repeated in the second on Sacajawea, employing the same tactics that proved successful in the first. Waiting until well in the stretch he called on the Vandergrift filly and in a gamely contested finish earned the decision by a half length.

Approval, paying $82.90 for $2 in the mutuels, surprised his own connections as well as everyone else by taking the third race, wearing down Brisk in a sensational finish to win by a nose.

The good mare Columbine repeated her victory of opening day, running away from her opponents in the sixth race. She carried the colors of Albert Simons today, the latter having claimed her after her success last Saturday.

Crumpsall's defeat in the seventh race was the biggest upset of the day. He was at odds-on in the betting and there were no excuses for his downfall, Maize and Al Pierce leading him home by safe margins.

The Pelican Stable has taken first call on the services of jockey Ensor for the remainder of the Bowie meeting.

End Man, Panaman and The Boy, three useful horses which raced in the colors of F. A. Goss under the direction of J. G. Wagnon, have arrived here and will be campaigned through the East. This trio of thoroughbreds were tied up in a legal controversy at New Orleans a year ago last winter.

Sheridan Clarke is here in the interests of the Dorval Jockey Club meeting, which opens at Montreal May 30. He will remain through the week.

MARYLAND COMMISSION RULES.

A printer's proof of the Maryland Racing Commission rules has been received at the secretary's office. The code will be published in book form for general distribution shortly. The outstanding feature of the legislation with respect to novelty is rule 270, which makes it compulsory upon all of the mile tracks under the jurisdiction of the commission to hold futurities annually. This is done in the interests of breeding, of course, and failure to provide such races will be accepted by the commission as cause for the reduction of an association's racing dates. Conditions for these produce races must be submitted to the commission for approval and the enforcement of the law will be made as soon as consistent with the production of contestants for the races.

Frank Keogh has been engaged by Harry Giddings to ride one of his representatives in this year's renewal of the King's Plate at the Woodbine opening day, May 21.

The horses of J. Sanford, which wintered at Oaklawn Park, will be shipped from Hot Springs to Havre de Grace on April 9. The stable will be divided there, the American-bred members of the outfit being turned over to Preston Birch and the imported division to H. Hughes.

T. A. Bryne is an arrival from Hot Springs, where he spent a vacation following the racing at New Orleans.

By order of the stewards the following horses will be given outside post positions in the future: Wellfinder, Peppery Polly, Paul Connelly, Fizer and, Rustler.

Koh-i-noor, David Craig, Goldcrest Boy, Moco, Louise V., Beaverkill and Trantula make up the schooling list.

A letter has been received here from Mrs. Annie Wittmer, care the Independent Bridge Company, Coraopolis, Pa., seeking information as to the whereabouts of William ("Mooch") Ryan and requesting that he communicate immediately with his mother-in-law.

Mickey Moore was badly cut down in his race of Saturday.

Thomas Clyde's Baywood developed a cough and was excused from the fourth race today.

W. Irvine, trainer of the E. F. Whitney stable, was among the day's visitors. This string, which is made up of Carmandale, By Jiminy, Sammy J. and nine two-year-olds, is doing nicely at Pimlico and in the opinion of Irvine it is the best looking band ever gathered by his employer. Two or three of the horses will race at Havre de Grace, but the most of them will be reserved for Pimlico.

Warlike ran today in the colors of Richard Pending, having been sold to him privately by Sam Louis.

W. C. Westmoreland and M. Ridge arrived at Havre de Grace this morning from Havana.

Jockey Weiner was a visitor today and returned tonight to New York. He reports that the Greentree Stable will leave Belmont Park April 9 for Havre de Grace.

Harry Taut, who fell ill during the Metropolitan racing last fall, has fully recovered and arrived here today from his home on Long Island. Harry Griffin also is an arrival from New York.

Johnny McCabe was thrown from a colt he was galloping this morning at Havre de Grace and suf-

The gray mare Olive D. led a big band of sprinters home in the second race in easy fashion. Her advantage at the finish was three lengths, with Killarney Belle and Viva her closest competitors.

A change of owners worked wonders with Shenandoah in the third race, at a mile and fifty yards. Where the four-year-old gelding has been quitting in his previous races he came from a long way back to win in a rousing finish from Pink Tenny and Zetetic.

The erratic mare Fannie Nail was heavily supported to win the fourth race, at a mile and seventy yards, but third place was the best she could do. First money went to Helman, with Baby Faust in second place.

A close stretch turn, in which English Lady saved much ground, enabled her to take the lead in the fifth race midway in the stretch, but it took the hardest kind of a drive for her to retain her advantage, as Full Moon finished with a great rush and was rapidly overhauling her at the finish. However, jockey McCullough, astride of the winner, managed to keep her in the lead and won by a neck, with Full Moon and George James finishing in the order named.

Stanley H., piloted by the midget jockey Pribble, scored in the seventh race by a half length from Our Leader and Smiling Maggie.

The speedy filly Lonely continued in winning form when she cantered home in the last race an easy winner from Miss Manage and Ike Mills.

Jockey Powell was badly shaken up when his mount, Ben Levy, in the fourth race, stumbled and fell while pulling up. The lad was rendered unconscious, but quickly recovered, although he was forced to cancel his engagements for the remainder of the day.

Trainer J. Hill was fined $25 for carelessness after the saddle had slipped on Red William in the third race.

Two carloads of horses got under way for Lexington, Ky., last evening. The horses shipped were the property of W. F. Polson, embracing Peace Pennant, Vulcanite, Eddie Tranter and others. Owner C. Worthington also bid Tijuana farewell, taking the crack filly Pepper Tea, Lillian Loraine and They Shall Not Pass.

The Desert, in winning the sixth race, established a new record for the distance, but that was a foregone conclusion, as the old mark was held by Vesta, which, back in 1917, ran the distance in 1:52⅘ over a track deep in mud. Over the fast track which prevailed yesterday the official time for the race won by The Desert was 1:43.

READY FOR CHAGRIN FALLS MEETING

CLEVELAND, O., April 6.—Horsemen contemplating racing at the coming spring meeting of the Chagrin Falls Jockey Club, April 30 to May 14, will find everything in perfect order on their arrival at the Falls track.

The turns have been elevated and the track proper widened and before many days will have elapsed the new chutes will be completed. New stable accommodations have been provided for.

The most recent arrivals were the stables of Cross and Haskins from Riverside, Cal. There were seven in this shipment, namely, Lean Reck, Vain Chic, Gomul, Onoto, Lady Eileen, Cuba and a filly by Marse Abe. Word from the coast is to the effect that at least ten stables, which raced at Tijuana during the winter, will be on their way just as soon as car accommodations can be had.

Several stables wintered at the Falls and their horses are now well advanced in their training.

The program book for the first six days is out and calls for seven races daily with six purses of $500 and one of $600 daily. Overnight handicaps will be run on special days with $600 or more added.

CANDIDATES AT HOT SPRINGS

Leonardo II., Bon Homme, Mulciber and Despair in an Advanced State of Training.

HOT SPRINGS, Ark., April 6.—To be formidably represented by three starters in the Kentucky Derby is the aim of James W. McClelland, trainer-manager of the extensive band of racers that will carry the silks of Xalapa Farm, owned by Edward W. Simms. To carry out his plans Leonardo II., Bon Homme, Mulciber and Despair, a quartet of worthy ones, are being given one of the most careful and thorough preparations. Whatever other trainers may be doing with their charges destined to start in the Kentucky Derby May 7 there is not the remotest chance of their being anywhere nearly as well fit up to the present as the Simms representatives. Leonardo II. is taking his training in particularly good style and, no matter how strenuous the task set for him, he works impressively and, what is more pleasing to his handlers, without evincing the slightest indication of the trouble that caused his retirement after the winning of the Hopeful Stakes. There are few acquainted with the fact that in that rich fixture, bringing to the post many of the crack two-year-olds of this country, Leonardo II. was nowhere near his best form. For a week previous to the race his training was practically suspended on account of lameness.

He was injured by a kick which had affected a small bone in his hind leg, and the injury necessitated constant tubbing of the leg in ice water to reduce inflammation. Leonardo II. has wintered wonderfully weil, as have the other seventy-three horses that were quartered at Oaklawn during the cold period. He has grown and filled out finely. James McClelland, commenting on this, said: "He is performing every task asked of him and, in my judgment, he will go far and fast any distance he is sent." Leonardo II. is regarded as the stable's mainstay for three-year-old honors, and he will be ridden by Schuttinger, who is galloping him in all his work.

Leonardo II. has already shown a convincing mile, far superior to any other Derby candidates, and traveled the Derby distance at a moderate pace.

Bon Homme's improvement during the winter has been particularly noticeable and shrewd horsemen, who have observed him closely, give him a good chance to carry off the Derby. An idea of how well advanced he is in his training is indicated by his mile and a quarter gallop this morning in 2:12, and that quite easily, too. Jockey Robinson will ride him in the Kentucky Derby.

Mulciber, which raced late in the fall and creditably, is like his stablemates, taking his Derby preparation in satisfactory style, and the fashion in which he goes about his work is giving his stable hopes that he will prove a formidable proposition for three-year-olds to tackle. Jockey Jarvis will have the mount on him in the Derby and is galloping him daily.

It is the present intention of James McClelland to ship the quartet of Derby eligibles to Lexington for the racing there and start them over the Kentucky Association course previous to sending them to the post in the Derby.

"Never had a band of horses winter so well in my entire turf connections," said Mr. McClelland. "We haven't had a sick or ailing horse in the stable since landing at Oaklawn. At no period of the winter have the horses been kept inactive through bad weather conditions. That includes the Derby eligibles."

Jockeys Schuttinger and Jarvis, who have assisted in the preparation of the horses, are in good form. Both riders have from eight to twelve mounts each morning.

Eternal is working fast, going sound as a dollar.

HORSES SOON TO LEAVE HOT SPRINGS

HOT SPRINGS, Ark., April 6.—The Oaklawn colony will be reduced this week when the horses of William Martin and Theodore Cook are transferred to Havre de Grace. Camoufleur wintered well and is in condition to go to the post right now. Martin's best money earner, Jack Stuart, had to be left in Maryland last fall and will rejoin the stable at Havre de Grace, having been started for that point this morning. Theodore Cook has been here for some time with Mr. Martin and is enthusiastic over the condition of the horses.

John Sanford, master of Hurricana Farm, has had the largest aggregation of horses to winter here. His string, comprising thirty-three head, have been in charge of Preston Burch and Holly Hughes. In the band are several French-bred colts, for which Mr. Sanford paid huge sums. The colts are all training well and have been schooled thoroughly at the barrier. There are fifteen older ones in the stable, some that raced successfully last year around New York tracks. The division, which will be in charge of Preston Burch, will leave for Havre de Grace about April 15, and the others that Holly Hughes will have in charge will go shortly thereafter to Jamaica for racing there.

SMALL CHANCE FOR ILLINOIS RACING

We always have advocated a law which would permit racing with some form of betting on Illinois tracks for a limited period each year. Such a bill is now before the legislature, but a person who is usually informed on Springfield matters tells us it has practically no chance of passage.

Our informant says there are two ways of securing a racing law. One is by the creation of an overwhelming public sentiment which the legislators dare not deny. This has not been done. The other method is not pleasant reading and we dismiss it.

We fear Chicago will go Derbyless until business men and lovers of horses join hands in a concerted movement to secure a kindly law.—Chicago Tribune.

CURRENT NOTES OF THE TURF

Trainer W. H. Karrick is slowly recuperating after his long illness.

The two-year-olds are busily at work from the barrier in the short chute at Gravesend.

That excellent French bred sire, Val d'Or, is still doing service in Argentina, though blind in both eyes.

Max Hirsch is making a jumper out of the fast but ill-tempered Germa and she is taking to her work kindly.

MAIN RACE TO SANDY BEAL

Easily Triumphs in Chief Offering at Prince George Park.

Columbine Is a Repeater, but Crumpsall Fails Dismally at Second Attempt.

BOWIE, Md., April 6.—For the fourth day's racing at Prince George Park the Prospect Purse, a dash of six and a half furlongs, was the chief offering, the other six races being under claiming conditions. Bright skies and warm weather contributed in bringing out a crowd of generous proportions and the public fared better than yesterday in the argument with the "iron men."

Sandy Beal was the choice in the main race and he made good in real race horse fashion. Corey held him under restraint until the far turn and, when called on, the son of Superman easily took command and won by a length. Mock Orange was second, tired out after his efforts in racing into defeat the outsider, Satana.

F. Coltiletti rode the winners of the first two races. In the opening dash he was astride General Agramonte and guided the Louis colt first past the judges, racing Celtic Lass, the pacemaker, into defeat in the last eighth and drawing away to score by three lengths. He repeated in the second on Sacajawea, employing the same tactics that proved successful in the first. Waiting until well in the stretch he called on the Vandergrift filly and in a gamely contested finish earned the decision by a half length.

Approval, paying $82.90 for $2 in the mutuels, surprised his own connections as well as everyone else by taking the third race, wearing down Brisk in a sensational finish to win by a nose.

The good mare Columbine repeated her victory of opening day, running away from her opponents in the sixth race. She carried the colors of Albert Simons today, the latter having claimed her after her success last Saturday.

Crumpsall's defeat in the seventh race was the biggest upset of the day. He was at odds-on in the betting and there were no excuses for his downfall, Maize and Al Pierce leading him home by safe margins.

The Pelican Stable has taken first call on the services of jockey Ensor for the remainder of the Bowie meeting.

End Man, Panaman and The Boy, three useful horses which raced in the colors of F. A. Goss under the direction of J. G. Wagnon, have arrived here and will be campaigned through the East. This trio of thoroughbreds were tied up in a legal controversy at New Orleans a year ago last winter.

Sheridan Clarke is here in the interests of the Dorval Jockey Club meeting, which opens at Montreal May 30. He will remain through the week.

MARYLAND COMMISSION RULES.

A printer's proof of the Maryland Racing Commission rules has been received at the secretary's office. The code will be published in book form for general distribution shortly. The outstanding feature of the legislation with respect to novelty is rule 270, which makes it compulsory upon all of the mile tracks under the jurisdiction of the commission to hold futurities annually. This is done in the interests of breeding, of course, and failure to provide such races will be accepted by the commission as cause for the reduction of an association's racing dates. Conditions for these produce races must be submitted to the commission for approval and the enforcement of the law will be made as soon as consistent with the production of contestants for the races.

Frank Keogh has been engaged by Harry Giddings to ride one of his representatives in this year's renewal of the King's Plate at the Woodbine opening day, May 21.

The horses of J. Sanford, which wintered at Oaklawn Park, will be shipped from Hot Springs to Havre de Grace on April 9. The stable will be divided there, the American-bred members of the outfit being turned over to Preston Birch and the imported division to H. Hughes.

T. A. Bryne is an arrival from Hot Springs, where he spent a vacation following the racing at New Orleans.

By order of the stewards the following horses will be given outside post positions in the future: Wellfinder, Peppery Polly, Paul Connelly, Fizer and, Rustler.

Koh-i-noor, David Craig, Goldcrest Boy, Moco, Louise V., Beaverkill and Trantula make up the schooling list.

A letter has been received here from Mrs. Annie Wittmer, care the Independent Bridge Company, Coraopolis, Pa., seeking information as to the whereabouts of William ("Mooch") Ryan and requesting that he communicate immediately with his mother-in-law.

Mickey Moore was badly cut down in his race of Saturday.

Thomas Clyde's Baywood developed a cough and was excused from the fourth race today.

W. Irvine, trainer of the E. F. Whitney stable, was among the day's visitors. This string, which is made up of Carmandale, By Jiminy, Sammy J. and nine two-year-olds, is doing nicely at Pimlico and in the opinion of Irvine it is the best looking band ever gathered by his employer. Two or three of the horses will race at Havre de Grace, but the most of them will be reserved for Pimlico.

Warlike ran today in the colors of Richard Pending, having been sold to him privately by Sam Louis.

W. C. Westmoreland and M. Ridge arrived at Havre de Grace this morning from Havana.

Jockey Weiner was a visitor today and returned tonight to New York. He reports that the Greentree Stable will leave Belmont Park April 9 for Havre de Grace.

Harry Taut, who fell ill during the Metropolitan racing last fall, has fully recovered and arrived here today from his home on Long Island. Harry Griffin also is an arrival from New York.

Johnny McCabe was thrown from a colt he was galloping this morning at Havre de Grace and suf-

GOES FULL DERBY ROUTE

Muskallonge Works Mile and a Quarter at Douglas Park.

Brother Batch Given Wind Test—Billy Barton in Easy Gallop —Latest Turf Gossip.

LOUISVILLE, Ky., April 6.—A work-out of a mile and a quarter, the full Kentucky Derby route, by Muskallonge in 2:14⅘ at Douglas Park and a speed of three-quarters of a mile in 1:14 by Coyne and Brother Batch at Churchill Downs were the outstanding features of the training at the two local tracks this morning. A number of other eligibles for the Derby were sent along also at both places.

The Bud Fisher colt was the first to go over the entire Derby distance this spring to date, and his gallop was a good one. Regarded in many quarters as purely a sprinter, he gives more and more evidence each time out of his ability to run over a long route of ground. He was under restraint through all of his work-out this morning and so perfectly did former jockey Willie Breen, his rider, rate him that he ran the final quarter in exactly the same time as the first quarter, twenty-six seconds. His fractional time was 26, 53, 1:21⅘, 1:48⅘, 2:14⅘. He was only cantering at the windup and was not taking a long breath. Trainer Alex Gordon said that the colt cooled out perfectly and he was highly pleased with his work.

The main idea of the fast gallop over a sprinting distance for Coyne and Brother Batch was to give the latter a real test of his wind, as trainer C. C. Van Meter desired to determine the exact nature of an ailment which has been affecting his throat. When he finished this morning there was apparently nothing wrong with his breathing and he showed no ill effects of his fast work at all. He appeared a bit sore when he came on the track, but he warmed out of it and all evidence of this had disappeared when he finished his task.

Jockey Mac Garner was on Coyne and Melvin Thompson again rode Brother Batch. Both riders sent their horses fast, running the quarter in 23⅗, three-eighths in 34⅘, half mile in 47⅘ and five-eighths in 59⅗. At this juncture the two pilots took hold of their horses and they only galloped slowly in the final eighths to wind up the work-out in 1:14. Garner said that he had a fairly strong hold on Coyne practically all of the way.

Ben Bolt ran a mile in 1:47 at the Downs and the last half found him under restraint. He ran the quarter in 23⅘, three-eighths in 35⅘, half mile in 49, five-eighths in 1:02⅖ and three-quarters in 1:16⅗.

Billy Barton, winner of the Cuban Derby, ran three-quarters in 1:19 and then ran to the outside fence. Red Legs was given an easy mile in 1:50⅗ at Douglas Park. He covered the first half in 53⅘.

Fantoche, a stablemate of Muskallonge, owned by trainer Gordon, worked a mile in 1:48. He ran each half in 54.

FLAGS ON HIS GOOD BEHAVIOR.

Sir Thomas Kean, Lloyd Gentry's Derby candidate, worked three-quarters in 1:20⅘. He had the erratic Flags for a companion in his gallop, and the pair ran fast at first, running the quarter in 23⅗ and the half in 49⅘. Flags' conduct is improving considerably and he demonstrated today that he has all of his old time speed.

Wade McLemore, a three-year-old in the G. L. Blackford stable, was unloaded with a temperature of 106 upon his arrival from New Orleans. His condition was improved today.

Ionia, in the Florisant Stable, also had a rough trip from the Crescent city and had a high fever upon arrival.

Robert Gilmore brought the sprinter Youneed from New Orleans last night.

Pat Knebelkamp has purchased the contract of jockey Albert Wilson from A. R. Burger. This lad, who is eighteen years old and weighs ninety-six pounds, hails from Windsor, Ont. He rode his first winner at the recent Mobile, Ala., meeting.

Denny Buford, a familiar figure on the Kentucky racing circuit, was an arrival from his home in Memphis, Tenn., where he spent the winter.

Joe Porretto of New Orleans, father of jockey F. Porretto, who is with the Mose Goldblatt stable, came up from the Crescent City to visit his son.

Jockey W. J. O'Brien has affiliated himself with the Kay Spence stable. Spence will ship twelve horses to Lexington enxt week and O'Brien will go along to do the riding. The remainder of the Spence establishment will remain at Douglas Park in charge of W. Covington.

Alf Oldham, veteran turfman who has been ill at his home here for several months, is improving slowly and is able to leave his bed for the first time since last autumn. "I will see the Kentucky Derby if I have to be carried to Churchill Downs," he told several horsemen who visited him yesterday.

Frank Wright will take several horses to Chagrin Falls in the near future.

Tom Ahern went to Lexington today to arrange for stalls for the horses owned by himself and Baylor Hickman and which are to be raced at the coming meeting there.

ANSWERS TO QUERIES

Wm. S., Norwood, O. It was a losing transaction.

R. W., Chicago, Ill. Simply a mistake. Idle Dell is a filly, and a good one.

L. H., Indianapolis, Ind. Ensor is to ride for R. T. Wilson and John Sanford.

A. V. N., Chicago, Ill. Two dollars straight and place on Johnny Dundee April 3 would have called for a return of $8.80.

C. S. S., Dayton, O. It was 85 to 100 against Old Rosebud when he won the Kentucky Derby and 13 1-2 to 1 against Bronzewing.

J. C. W., Chicago, Ill. Sun Briar is said to have covered a mile in 1:34 at Saratoga in a trial in 1918.

J. I. S., Chicago, Ill. Starts for seven-eighths at Bowie are made from a straight chute into the backstretch.

H. W. H., Chicago, Ill. E. Dominick was the rider who was thrown from Abe Frank while at the post at Washington Park before the runaway.

O. H., Richmond, Ind. Chicago is now on one hour daylight saving time, making it the same as Bowie time. But that would not apply to Richmond time unless that city also is under daylight saving time.

Jack M., Dayton, O. Few layers would accept a single wager on a horse and then allow it to pay for an "if coming" parlay beginning with the same horse. In the case suggested there would be an indisputable place win on Bar One. The rest of it would depend on what the layer thought of it.

$2 mutuels paid, Columbine, $4.20 straight, $3.90 place, $2.40 show; Romeo, $13.00 place, $4.20 show; Claquer, $2.50 show.

Equivalent booking odds—Columbine, 110 to 100 straight, 95 to 100 place, 20 to 100 show; Romeo, 550 to 100 place, 110 to 100 show; Claquer, 25 to 100 show.

Winner—Ch. m, by Garry Herrmann—Navarre's Hope, by Henry of Navarre (trained by A. Simons; bred by Mr. George D. Widener).

Went to post at 4:47. At post 1 minute. Start good and slow. Won easily; second and third driving. COLUMBINE, after being saved in the early running, took the lead at her rider's leisure and won in a canter. ROMEO ran well under a good ride and, after losing ground when entering the stretch, came again and outstayed CLAQUER in the final drive. CLAQUER displayed much speed under restraint in the early running and had no mishaps. PENELOPE saved ground on all the turns, but could never improve her position. WAUKEAG finished gamely.

Overweights—Romeo, 1 pound; Frogtown, 2.

53521 SIXTH RACE—1 1-16 Miles. (Nov. 25, 1915—1:48—4—116.) Purse $1,200. 3-year-olds and upward. Claiming. Net value to winner $850; second, $200; third, $100; fourth, $50.

PERCENTAGE WINNER SUPREME

THE MIRACLE SYSTEM

WONDERFULLY SIMPLE SIMPLY WONDERFUL

(FULLY COPYRIGHTED AND PROTECTED)

AN ORIGINAL—SUCCESSFUL—POWERFUL METHOD OF TURF INVESTMENT GOVERNED BY THE LAWS OF INDISPUTABLE AVERAGES AND FIGURES AND EVOLVED ONLY AFTER YEARS OF CONCENTRATED STUDY ON THE SUBJECT. IT IS AS UNVARYING IN ITS OPERATION AS THE LAWS OF GRAVITATION. IT AVERTS THE INEVITABLE RUN OF A NUMBER OF CONSECUTIVE LOSERS, AND HAS BEEN DECLARED INVULNERABLE BY ALL WHO HAVE SEEN ITS OPERATION.

NO HANDICAPPING

POSITIVELY ELIMINATES THE CHANCE ELEMENT

AND DISPROVES BEYOND ALL DOUBT THE FALLACY THAT IT IS IMPOSSIBLE TO OPERATE PROFITABLY ON RACING. WE STAND PREPARED TO CONCLUSIVELY PROVE THIS TO ALL WHO SAY "IT CANNOT BE DONE."

NO "TIPS" ISSUED

This safe, sane, scientific and COPYRIGHTED METHOD of profitably combating all vagaries and vicissitudes of the track can be operated with either a large or small capital in either mutuels, handbooks, poolrooms or at the track.

Many horse owners, trainers, smart "insiders" operate the System daily (under our confidential terms of agreement) with an almost unbelievable degree of success. It is being played today in many of the leading cities of the United States, Cuba, Canada, Mexico, Argentina and Australia.

YOU PAY NO ATTENTION TO CLOCKING, JOCKEYS, WEIGHTS, DISTANCE and all other such hopelessly confusing factors.

Play can be confined to ONE BEST BET daily, or you can invest in practically every race on the card. It works equally successful at all tracks. The System selects the "MONEY HORSES" in a moment's time from the entries. These daily "System or Money Horses" are invariably supported by us with substantial investments. Seventy-five per cent of them are consistent animals that are on edge and "business bent."

BY THE SYSTEM'S PROTECTIVE METHOD OF OPERATION, IF YOUR INVESTMENT HORSE FINISHES SECOND, AND ON MANY OCCASIONS THIRD, YOU INVARIABLY WIN. YOUR "PLACE" AND "SHOW" MONEY FREQUENTLY PROVES 2, 3, 4 or even 10 to 1.

IT IS POSSIBLE TO KNOW A LITTLE MORE THAN EITHER THE BOOKS OR THE TALENT"

THE MIRACLE SYSTEM — MINIMUM RISK MAXIMUM RETURN

TRADE-MARK REGISTERED

Whether a novice or veteran, a large or small operator, DON'T MAKE ANOTHER PLAY WITHOUT IT. Place your investments on a systematic business basis. You can operate with as much confidence as you would negotiate a certified check, for this Master Method has stood the test of time and practicability and long since passed all experimental stages. Disastrous results are unavoidable if you continue "guessing" and investing haphazardly. If you are a "loser" we can POSITIVELY place you in a position to recover your losses within a reasonably short period.

On the first of each month we publish a statement of results sworn to before Notary, which since its inauguration has never shown other than profitable results. The correctness of these results you can readily check and verify.

YOU ASK, IF THE MIRACLE SYSTEM MEASURES UP TO OUR CLAIMS, WHY IS IT MARKETED?

Write for particulars TODAY on this logical and very interesting question. Testimonials, valuable FREE turf data, containing vitally important racing "pointers," SWORN RESULTS AND STATISTICS, and a review of the best-known "systems" published will be sent you. POSTALS ARE IGNORED.

NOTE—The fee for the Miracle System is moderate. To responsible individuals we will send the System on liberal terms. If it does not WIN CONSISTENTLY AND FULFILL EVERY CLAIM, YOU OWE US NOTHING.

THE American Racing Manual for 1921 Is Now on Sale

THE 1921 MANUAL'S Handicap Tables have been brought up to date. Instead of divisions of quarter seconds the three tables have all been modernized into fifths. Before the tables and their application charts is an introduction and general directions for handicapping by the late Nim S. Hand, an expert of the first class, who recently died in California.

THE 1921 MANUAL contains engraved diagrams of thirty-two leading American race courses, with their locations, capacities, chutes, stands, widths of tracks and lengths of stretches in detail.
